This a true Naval Experience:

Now this is no shit, while in an exotic foreign port, in a small establishment – next door to the young men’s Christian Science Reading Room.

I struck up a conversation with a bar maid, she was telling me about an African Doctor she had met, that promised she could enlarge her breast without surgery, he was Dr. Mubutu.

The Doctor advised her, every day after your shower, rub your chest and chant “Scooby, Doobie Doobies, I want bigger boobies.

She did this faithfully for several months and to her utter amazement, she grew to a terrific D-Cup Rack.

One morning she was running late, got on the bus, and in a panic realized she had forgotten the morning ritual. Frightened she might lose her lovely boobs if she didn’t recite the little rhyme, she stood right there in the middle aisle of the bus, closed her eyes and said scooby Doobie Doobies, I want bigger Boobies.

A guy sitting nearby looked at her and asked, are you a patient of Dr. Mubutu? Yes I am. How did you know? He winked and whispered “Hickory Dickory Dock!

In the event you didn’t know, a week ago last Saturday was Willie Nelson 83 Birthday.

As you know, Willie was/is a farmer. But he only grows weed and Bio-Fuel for his bus.

That is why his farm aid concerts were so popular.

Will is also a poet. Here is my favorite “I have outlived my pecker”.

My nookie days are over, my pilot light is out, what used to be my pride and joy, is now my water spout.

Time was when, on its own accord, from my trousers it would spring. But now I’ve got a full time job. To find the Friggin thing.

I used to be embarrassed. The way it would behave. For every single morning. It would stand and watch me shave.

Now as old age approaches, it sure gives me the blues. To see it hang its little head, and watch me tie my shoes

Mike Ciesielko announced that the Charleston Base Gun club will have a shooting Therapy session Saturday Morning Meet at the FRA at 0815
