

Panama Jack's Contact Information and an Update

Hi Buddha, Here's Jack Sr.'s info:

Jack Sr. is now living at: The Retreat at Palisades
3780 Heritage Ln
Palisade Colorado 81528

Jack's phone number is: 970-464-1102

He really likes it there and it is working as best as can be imagined. He has freedom to sign himself out/in, can go across the street and get a sandwich or A&W draft root beer. The locals all know him and all look out for him. He was in the Palisade Peach Parade float with the residents and had too much fun...now can't wait for the wine festival, which is coming up soon (he is in big peach & wine country).

Jack Jr. calls him every night at 9pm and then goes and sees him every other week- it's 2 1/2 hrs away from us. He's already been to the VA hospital there in Grand Junction and all is well. To think he will be 90 on 9/11 this year!

Jack got both of your phone messages- he's still working in a remote area on a custom log lodge so cell service isn't available. he will get in touch with you when possible. Hopefully this will reach you before Jack can return your call.

Regards,
Jerralyn Stevenson
